Dear Rick & Michaela:

We want you both to know how truly pleased we are with the work that you have done and are doing for us. This is the first time that we've ever experienced anything like this and despite our internet prowess we really had no concept of what we were facing. It is now very clear to us that we desperately required expert legal representation.

From day one, your outstanding team has performed an exceptional job of guiding, and representing our family. We are very appreciative to you and your entire staff for your sincere compassion and responsiveness to all of our needs, concerns and questions. Throughout this process you have been amazing and we are genuinely grateful for all that your team has done for our family.

Sincerely,
